about the congress

The Congress of Clinical Rheumatology (CCR) is unlike any other meeting in the field of rheumatology. What sets CCR apart is its emphasis on gathering practicing physicians from across the globe in one place to focus on the practical application of medicine and treatments. Unlike conferences that center purely on theory or abstract research, CCR equips attendees with real-world, actionable insights they can apply directly to patient care.

Our unique approach draws a global audience of over 1,450 healthcare professionals annually, primarily rheumatologists, from over 45 states and 16 countries, offering exhibitors a prime opportunity to engage with a diverse and influential community of medical professionals. At CCR, we believe in providing sessions that go beyond the latest advancements to delve into how they can be utilized in everyday clinical practice. Attendees appreciate the direct applicability of what they learn, which is why many consider CCR to be the most valuable conference they attend each year.

For exhibitors, CCR is a chance to showcase your products and services to a focused, engaged, and receptive audience of healthcare providers who are actively seeking the latest innovations to enhance their patient care. Join us at our spring event in Destin, FL, or at our fall conference in California, to connect with the leaders in rheumatology in an environment dedicated to clinical excellence and practical solutions.

Of all of the rheumatology meetings I've attended over 41 years in practice, and 2 years in fellowship, including 40 ACR annual meetings, I enjoyed and learned more at CCR.

Allen Morton, M.D.

The Congress of Clinical Rheumatology (CCR) offers unparalleled opportunities for your company

Exhibit at America's Premier Independent Rheumatology Symposium, the Congress of Clinical Rheumatology. In 2025, CCR continues its growth with two annual meetings: CCR-East in Destin, FL (May 1-4) and CCR-West in Huntington Beach, CA (September 18-21). Each location features a distinct agenda with different faculty, providing exhibitors a chance to connect with a wide variety of attendees.

Maximize your company's visibility by engaging with one of the largest gatherings of clinical rheumatologists in the United States. In 2024, our combined events attracted 1,481 participants, including both onsite and virtual attendees, with 858 registrants at CCR-East and 623 at CCR-West. For 2025, we anticipate approximately 700-750 attendees in Destin and 600 in Huntington Beach, with the majority being clinical rheumatologists, nurse practitioners, and physician assistants—making CCR the largest private clinical rheumatology meeting in the country.

Take advantage of a relaxed yet focused environment where you can connect one-on-one with healthcare providers who have full prescribing and budget authority. Whether launching new products, hosting a promotional theater, or convening an advisory board meeting, CCR provides a high-profile platform for your company to showcase its innovations.

Beyond networking with current rheumatology professionals, you'll have the opportunity to educate fellows on new and available products, expanding your reach to the next generation of practitioners. Additionally, our onsite and virtual meeting formats ensure long-lasting connections and follow-up opportunities.

By exhibiting at CCR, your company will be associated with a well-respected, nationally recognized conference. Healio Rheumatology, Engage Health Media, and MJH Life Sciences regularly publish articles and conduct interviews with presenters from CCR, ensuring your products and brand receive continued exposure.

We invite you to join us for these outstanding exhibitor opportunities at CCR-East in Destin, FL, May 1-4, 2025, and CCR-West in Huntington Beach, CA, September 18-21, 2025. We look forward to seeing you there!

Sincerely,

A handwritten signature in black ink, appearing to read "David A. McLain". The signature is fluid and stylized, with a long horizontal line extending from the end.

Immunology for the Rheumatology Provider

This specialized course is designed to deliver practical, clinically relevant immunology education that directly impacts patient care, rather than focusing on theoretical research. Attendees, primarily prescription-writing physicians, will gain insights into the latest advances in immunologically targeted therapies for autoimmune diseases such as rheumatoid arthritis, vasculitis, and lupus, equipping them to make informed treatment decisions for their patients.

Sponsoring this event allows your brand to engage with a targeted group of healthcare professionals actively involved in prescribing biologics and other treatments for autoimmune conditions. With both on-site and virtual attendance, your company will have the opportunity to showcase products and innovations to rheumatologists and advanced practice providers in an exclusive learning environment. Align your brand with this high-impact, practical course and demonstrate your commitment to advancing the field of rheumatology care.

Immunology Silver Sponsorship

Tier includes a single 72x30" exhibit space, lead retrieval, and basic logo placement on the event materials and website. Sponsors at this level also receive recognition in the conference syllabus, and recognition on the event signage. This tier provides an affordable option to gain visibility and engage with conference attendees.

NYRIF

North American Young
Rheumatology Investigator
Forum

Wednesday April 30th, 2025
Non-CME Activity

Dear Prospective Exhibitor

I'm thrilled to invite you to participate in the North American Young Rheumatology Investigator Forum (NYRIF), an event that holds a special place in my heart. As someone deeply passionate about providing a platform for fellows in rheumatology, I can tell you firsthand that NYRIF isn't just an event—it's a unique opportunity to invest in the future of rheumatology.

At NYRIF, your company can increase exposure and make meaningful connections with tomorrow's leaders in the field. Last year, we welcomed over 150 participants, including 95 fellows-in-training from 41 programs across the United States. These fellows, early in their careers and eager to expand their knowledge, have had minimal exposure to pharmaceutical companies or their products, making this an ideal opportunity for you to share insights on the latest treatments and innovations.

To make NYRIF accessible for these promising young doctors, A&R Medical Education Foundation proudly provides travel stipends, discounted room rates, and free attendance to the Congress of Clinical Rheumatology (CCR) conference. However, this effort is only possible with the support of partners like you. Your participation helps sustain the opportunities we offer to these fellows, ensuring they can focus on learning and growing in their field.

NYRIF offers a relaxed, intimate environment where you can engage in one-on-one conversations, educate fellows on the appropriate use of your products, and build lasting professional connections. By joining us, you're not only raising your brand's visibility but also supporting the next generation of rheumatologists in a meaningful way.

Thank you for considering NYRIF as part of your outreach and engagement strategy. We look forward to welcoming you to Destin, Florida, on April 30th, 2025, for what promises to be another impactful and memorable NYRIF meeting. All sponsorship funding directly supports the non-profit organization, A&R Medical Education Foundation, ensuring the continued advancement of medical education and research initiatives.

Warm regards,
Pam McLain, M.D.

Exhibitor Terms and Conditions

1. Exhibit Regulations

Exhibitors agree to abide by the conditions of contract herein described and by all conditions under which space at the Hilton Sandestin Beach Golf Resort and Spa is leased to the A&R Educational Group, LLC (hereafter referred to as A&R). Exhibitors accept responsibility for informing all of their employees and agents of these conditions and agree that they will abide by them also. All of the rules and regulations are to be construed as part of all space applications. The A&R reserves the right to interpret them, as well as make final decisions based on the A&R's sole discretion, on points these rules do not cover. In all interpretations of the rules and regulations, the decision of the A&R is final.

2. Eligibility to Exhibit

The A&R determines eligibility of any company or product to exhibit. Exhibit eligibility will be granted to those companies whose products and services meet the standards of generally accepted medical practices and are in harmony with the A&R's stated purpose to serve the medical profession. Products, which require approval by the Food & Drug Administration (FDA), must receive this approval before being eligible to exhibit. The A&R may forbid installation or require removal of any exhibit or discontinuance of any promotion, wholly or in part, that in its opinion is not in keeping with the character and purpose of the A&R. The A&R reserves the right to reject, at any time, any application to exhibit for any reason.

3. Liability

The A&R acts for exhibitors and their representatives in the capacity of agent, not as principal. The A&R assumes no liability for any act of omission or commission in connection with this agency, including, but not limited to, any loss or damages suffered by an exhibitor as a result of any act or omission of any party, including but not limited to, any vendor, service providers, or other exhibitor. Exhibitors and their representatives hereby release the A&R from any and all liabilities for loss or damage ensuing from any cause whatsoever, except for claims for damages or injuries resulting from the A&R's failure to fulfill its obligations as set forth in this prospectus.

In addition, each exhibitor and its representatives agree to indemnify and hold harmless the A&R for all costs, damages and liability, including attorney's fees, claimed against the A&R based upon acts or omissions of the exhibitor or any of its employees or agents. The A&R disclaims any and all liability for injury or other damages to an individual based on products or services displayed at this meeting and for all claims that may arise out of the use of the displayed products or services.

Exhibitors shall indemnify and hold harmless A&R and its officers, directors, employees, agents and contractors from any judgment, loss or other expenses including attorney's fees arising from allegations, claims or lawsuits relative to product or services offered by exhibitors or actions of exhibitors, their employees or agents.

4. Non-contracted Exhibit Space

Persons, companies, or organizations that have not contracted with the A&R to occupy space in

the exhibit hall will not be permitted to display or demonstrate products, processes or services, solicit orders, or distribute advertising materials or other literature in the exposition facility, parking lots or in any hotel contracted by the A&R. Non-compliance with this regulation will result in the prompt removal of the offending person(s) and property from that area.

5. Subletting Space

Subletting space is not permitted. Two or more technical exhibitors may not exhibit in a single space.

6. Terms of Payment

Full payment for all sponsorships and exhibitor packages is due within 30 days of invoice receipt. Checks are to be made payable to the A&R Educational Group, LLC. A 3.5% fee applies to all credit card transactions. If funds are not received within 30 days, additional fees may apply, and failure to comply with payment terms may result in forfeiture of booth space or sponsorship benefits.

7. Outstanding Invoices

Any outstanding invoices owed to A&R Educational Group, LLC from previous transactions must be settled prior to the assignment of exhibit space; otherwise, the exhibitor may forfeit their space.

Note: Breakfast & lunch are served every day in the exhibits & the exhibits remain open. Morning breaks will also be held in the exhibits. The location of afternoon breaks is at the discretion of the organizers. The food in the Exhibit hall has been purchased and is intended for the attendees, not the exhibitors. Exhibitors may be asked to leave if eating the food placed out for Attendees.

8B. Exhibition Hours Immunology/FPS

Setup – Tuesday Starting at 3 pm
Dismantle – Wednesday 3 pm

9. Dismantling

Saturday 2:00 PM – 4:00 PM. No dismantling of exhibits is permitted until the afternoon sessions resume on Saturday. Children are not allowed on the exhibit floor during installation or dismantling.

10. No Shows

Any company which reserves a booth space and does not inform A&R of its plans for non-attendance in writing will automatically not be permitted to participate in future A&R exhibitions. In addition, the company will also forfeit 100% of the total cost of the exhibit space assigned as well as all sponsorship application fees.

11. Cancellation of Booth Rental

Exhibit space that has been assigned and confirmed can be canceled by written notice to A&R Educational Group without penalty if done more than 90 days before the event. If notice of cancellation is received between 90 and 45 days before the event, a \$150 processing fee will be charged. For cancellations received between 45 and 30 days before the event, the exhibitor forfeits 50% of the total cost for the assigned exhibit space. For cancellations within 30 days of the event, the exhibitor forfeits 100% of the total cost for the assigned exhibit space. Space requests made within 45 days of the event are

subject to the above-mentioned cancellation policies seven days after the booth is assigned.

12. Cancellation of Exposition

In the event of cancellation of the Congress of Clinical Rheumatology due to fire, strikes, governmental regulations, terrorism, acts of God, or causes which would prevent or make commercially unreasonable its scheduled opening or continuance, then and thereupon exhibitors and the A&R have no further obligation to each other, and the A&R management shall determine an equitable basis for the refund of such portion of the exhibit fees as is possible, after due consideration of expenditures and commitments already made.

13. Exhibitor Responsibility Clause

To the fullest extent permitted by law, the person/legal entity described as "Exhibitor" in this clause and in this exhibitor contract (regardless whether such person/legal entity is also described as "Exhibitor" in this contract) hereby assumes full responsibility and agrees to indemnify, defend and hold harmless Hilton Sandestin Beach Golf Resort and Spa ("Hotel") and Hotel's owners, managers, subsidiaries, affiliates, employees and agents (collectively, "Hotel Parties"), as well as A&R Educational Group, LLC ("Group"), from and against any and all claims or expenses arising out of Exhibitor's use of the Hotel's exhibition premises. Exhibitors may be required to provide proof of insurance, depending on the venue's requirements.

14. Official Service Contractor

Pamela F. McLain is the A&R's official service contractor for the CCR: 5200 Greystone Way, Birmingham, Alabama 35242

Email: exhibitors@ccrheumatology.com

15. Violations

The A&R reserves the right to levy a penalty, including refusal of/or termination of the exhibit, at our discretion. In the event of such restriction or eviction, the A&R will not be liable for any refunds or rentals or other exhibit expenses. The dismantling or packaging of an exhibit and/or exhibit materials prior to the close of the exhibits may, in the A&R's sole discretion, prevent the exhibitor from being permitted to participate in future A&R exhibitions. In all interpretations of the conditions set forth in this prospectus and of all applicable rules and regulations, the decision of the A&R is final. Any objectionable practices by exhibitors or official suppliers should be reported to the A&R immediately.

16. Prohibition on Unapproved Events

Sponsors are strictly prohibited from hosting any events, including but not limited to meetings, receptions, or presentations, without the prior written approval of CCR staff. This prohibition applies to all sponsors and their representatives and is intended to ensure the coordination and integrity of the overall event. Any violation of this provision may result in penalties, including the termination of the sponsor's participation in the event without refund.
