about the congress

The Congress of Clinical Rheumatology (CCR) is unlike any other meeting in the field of rheumatology. What sets CCR apart is its emphasis on gathering practicing physicians from across the globe in one place to focus on the practical application of medicine and treatments. Unlike conferences that center purely on theory or abstract research, CCR equips attendees with real-world, actionable insights they can apply directly to patient care.

Our unique approach draws a global audience of over 1,500 healthcare professionals annually, primarily rheumatologists, from over 45 states and 16 countries, offering exhibitors a prime opportunity to engage with a diverse and influential community of medical professionals. At CCR, we believe in providing sessions that go beyond the latest advancements to delve into how they can be utilized in everyday clinical practice. Attendees appreciate the direct applicability of what they learn, which is why many consider CCR to be the most valuable conference they attend each year.

For exhibitors, CCR is a chance to showcase your products and services to a focused, engaged, and receptive audience of healthcare providers who are actively seeking the latest innovations to enhance their patient care. Join us at our spring event in Destin, FL, or at our fall conference in California, to connect with the leaders in rheumatology in an environment dedicated to clinical excellence and practical solutions.

Of all of the rheumatology meetings I've attended over 41 years in practice, and 2 years in fellowship, including 40 ACR annual meetings, I enjoyed and learned more at CCR.

Allen Morton, M.D.

Dear Potential Sponsor,

I am excited to invite you to participate as a sponsor at the Congress of Clinical Rheumatology (CCR) 2026, one of the most respected and longest-running independent rheumatology meetings in the United States. Our hybrid format blends in-person and virtual engagement, offering your organization year-round exposure and access to a global audience of rheumatology professionals.

CCR East will take place April 30 – May 4, 2026, at the Hilton Sandestin Beach Golf Resort & Spa in Destin, Florida—an award-winning beachfront destination that combines an inspiring educational setting with a relaxed, family-friendly atmosphere. CCR West follows on September 17 – 20, 2026, at the Hyatt Regency Huntington Beach, a premier Southern California venue overlooking the Pacific Ocean.

In 2025, CCR welcomed over 1,300 onsite attendees and 500+ virtual participants, including rheumatologists, nurse practitioners, physician assistants, and fellows; clinicians who make or influence key prescribing and formulary decisions. Our 2026 meetings are projected to grow even further, with an expanding national and international audience and enhanced virtual platform reach.

By exhibiting or sponsoring at CCR, your brand will be positioned directly in front of the most engaged, clinically active decision-makers in rheumatology. The conference's intimate scale and relaxed coastal environment foster authentic, high-value conversations between industry representatives and prescribers. In addition, media coverage from Healio Rheumatology, Engage Health Media, The Rheumatologist and MJH Life Sciences ensures extended visibility across digital and print channels long after the meeting concludes.

We offer a range of exhibitor and sponsorship options—including turnkey Product Theaters that now include food and beverage, as well as bundled opportunities to connect across both CCR, and our pre-conference events such as NYRIF.

I would welcome the opportunity to discuss how CCR 2026 can align with your strategic objectives and deliver measurable value for your brand. Please contact us at exhibitors@ccrheumatology.com to arrange a conversation.

Sincerely,

*David A. McLain, M.D., FRCP, FACR, FACP

Advisory Board

The CCR Advisory Board offers a unique and exclusive forum for meaningful dialogue between your organization and leading clinical physicians from across the country. This session provides an unparalleled opportunity to gather diverse, real-world perspectives on unmet medical needs, treatment patterns, risk tolerance, and therapeutic benefits directly from prescribing clinicians.

Your team will receive updated registrant data to identify and invite the most relevant participants for your objectives. Whether you're exploring early-phase development, refining a current brand strategy, or gathering post-market feedback, the Advisory Board delivers actionable insights that inform strategic decisions and strengthen relationships with key thought leaders.

Benefits include:

- Direct engagement with practicing rheumatologists and allied providers
- Curated participant selection from verified CCR registrants
- Confidential setting fostering open and candid discussion
- Customizable format to suit your team's needs

Sponsoring the First Annual Rheum-Derm Summit on Wednesday, April 29, 2026 positions your company at the center of one of the most important cross-disciplinary conversations in inflammatory disease care. This, separate CME activity attracts dermatologists and rheumatologists who actively manage complex patients at the intersection of skin and joint disease, exactly the clinicians driving advanced biologic and targeted therapy decisions. With a focused agenda built around real-world cases, co-management strategies, and shared therapeutics, the Summit offers deep engagement with highly motivated prescribers before the main CCR East 2026 meeting even begins.

As a sponsor, you align your brand with cutting-edge, practical education and gain premium visibility with a concentrated audience looking for solutions they can take straight back to clinic.

RHEUM/DERM Summit Silver Sponsorship

Tier includes a single 72x30" exhibit space, lead retrieval, and basic logo placement on the event materials and website. Sponsors at this level also receive recognition in the conference syllabus, and recognition on the event signage. This tier provides an affordable option to gain visibility and engage with conference attendees.

NYRIF

North American Young
Rheumatology Investigator
Forum

Dear Prospective Exhibitor

I'm thrilled to invite you to participate in the North American Young Rheumatology Investigator Forum (NYRIF), an event that holds a special place in my heart. As someone deeply passionate about providing a platform for fellows in rheumatology, I can tell you firsthand that NYRIF isn't just an event—it's a unique opportunity to invest in the future of rheumatology.

At NYRIF, your company can increase exposure and make meaningful connections with tomorrow's leaders in the field. Last year, we welcomed over 150 participants, including 95 fellows-in-training from 41 programs across the United States. These fellows, early in their careers and eager to expand their knowledge, have had minimal exposure to pharmaceutical companies or their products, making this an ideal opportunity for you to share insights on the latest treatments and innovations.

To make NYRIF accessible for these promising young doctors, A&R Medical Education Foundation proudly provides travel stipends, discounted room rates, and free attendance to the Congress of Clinical Rheumatology (CCR) conference. However, this effort is only possible with the support of partners like you. Your participation helps sustain the opportunities we offer to these fellows, ensuring they can focus on learning and growing in their field.

NYRIF offers a relaxed, intimate environment where you can engage in one-on-one conversations, educate fellows on the appropriate use of your products, and build lasting professional connections. By joining us, you're not only raising your brand's visibility but also supporting the next generation of rheumatologists in a meaningful way.

Thank you for considering NYRIF as part of your outreach and engagement strategy. We look forward to what promises to be another impactful and memorable NYRIF meeting. All sponsorship funding directly supports the non-profit organization, A&R Medical Education Foundation, ensuring the continued advancement of medical education and research initiatives.

Warm regards,

Pam McLain, M.D.

Exhibitor Terms and Conditions

1. Exhibit Regulations

Exhibitors agree to abide by the conditions of contract herein described and by all conditions under which is leased to the A&R Educational Group, LLC (hereafter referred to as A&R). Exhibitors accept responsibility for informing all of their employees and agents of these conditions and agree that they will abide by them also. All of the rules and regulations are to be construed as part of all space applications. The A&R reserves the right to interpret them, as well as make final decisions based on the A&R's sole discretion, on points these rules do not cover. In all interpretations of the rules and regulations, the decision of the A&R is final.

2. Eligibility to Exhibit

The A&R determines eligibility of any company or product to exhibit. Exhibit eligibility will be granted to those companies whose products and services meet the standards of generally accepted medical practices and are in harmony with the A&R's stated purpose to serve the medical profession. Products, which require approval by the Food & Drug Administration (FDA), must receive this approval before being eligible to exhibit. The A&R may forbid installation or require removal of any exhibit or discontinuance of any promotion, wholly or in part, that in its opinion is not in keeping with the character and purpose of the A&R. The A&R reserves the right to reject, at any time, any application to exhibit for any reason.

3. Liability

A&R acts for exhibitors and their representatives in the capacity of agent, not as principal. A&R assumes no liability for any act of omission or commission in connection with this agency, including, but not limited to, any loss or damages suffered by an exhibitor as a result of any act or omission of any party, including but not limited to, any vendor, service providers, or other exhibitor. Exhibitors and their representatives hereby release A&R from any and all liabilities for loss or damage ensuing from any cause whatsoever, except for claims for damages or injuries resulting from A&R's failure to fulfill its obligations as set forth in this prospectus.

In addition, each exhibitor and its representatives agree to indemnify and hold harmless A&R for all costs, damages and liability, including attorney's fees, claimed against A&R based upon acts or omissions of the exhibitor or any of its employees or agents. A&R disclaims any and all liability for injury or other damages to an individual based on products or services displayed at this meeting and for all claims that may arise out of the use of the displayed products or services.

Exhibitors shall indemnify and hold harmless A&R and its officers, directors, employees, agents and contractors from any judgment, loss or other expenses including attorney's fees arising from allegations, claims or lawsuits relative to product or services offered by exhibitors or actions of exhibitors, their employees or agents.

4. Non-contracted Exhibit Space

Persons, companies, or organizations that have not contracted with the A&R to occupy space in the exhibit hall will not be permitted to display or demonstrate products, processes or services, solicit orders, or distribute advertising materials or other literature in the exposition facility,

parking lots or in any hotel contracted by A&R. Non-compliance with this regulation will result in the prompt removal of the offending person(s) and property from that area.

5. Subletting Space

Subletting space is not permitted. Two or more technical exhibitors may not exhibit in a single space.

6. Use of Board Rooms

Board rooms are available for rent to sponsoring companies for private, internal use only. These rooms are intended for purposes such as staff meetings, workspace for company representatives, and individual one-on-one discussions with healthcare professionals or conference attendees. Use of rented board rooms for Product Theaters, Advisory Boards, focus groups, or any gathering involving multiple healthcare professionals or attendees is strictly prohibited. If it is determined that a rented board room has been used for any such prohibited activity, the renting company will be invoiced the full cost of the equivalent Product Theater or Advisory Board event, as outlined in the current CCR sponsorship prospectus. CCR reserves the right to terminate access to the board room immediately and without refund for violations of these terms.

7. Terms of Payment

Full payment for all sponsorships and exhibitor packages is due within 30 days of invoice receipt. Checks are to be made payable to the A&R Educational Group, LLC. A 3.5% fee applies to all credit card transactions. If funds are not received within 30 days, additional fees may apply, and failure to comply with payment terms may result in forfeiture of booth space and sponsorship benefits.

8. Outstanding Invoices

Any outstanding invoices owed to A&R from previous transactions must be settled prior to the assignment of exhibit space; otherwise, the exhibitor may forfeit their space.

9. Conference Meals

The location of f&b for meals, including breaks is at the discretion of the organizers. The food in the Exhibit hall has been purchased and is intended for the attendees, not the exhibitors. Exhibitors may be asked to leave if eating the food placed out for Attendees.

10. Booth Setup and Tear-down

Specific instructions for timing on when to setup and tear-down as well as shipping instructions for booths or materials can be found in the exhibitor portal.

11. No Shows

Any company which reserves a booth space and does not inform A&R of its plans for non-attendance in writing will automatically not be permitted to participate in future A&R exhibitions. In addition, the company will also forfeit 100% of the total cost of the exhibit space assigned as well as all sponsorship application fees.

12. Cancellation of Booth Rental

Exhibit space that has been assigned and confirmed can be canceled by written notice to A&R Educational Group without penalty if done more than 90 days before the event. If notice of cancellation is received between 90 and 45

days before the event, a \$150 processing fee will be charged. For cancellations received between 45 and 30 days before the event, the exhibitor forfeits 50% of the total cost for the assigned exhibit space. For cancellations within 30 days of the event, the exhibitor forfeits 100% of the total cost for the assigned exhibit space. Space requests made within 45 days of the event are subject to the above-mentioned cancellation policies seven days after the booth is assigned.

13. Cancellation of Exposition

In the event of cancellation of the Congress of Clinical Rheumatology due to fire, strikes, governmental regulations, terrorism, acts of God, or causes which would prevent or make commercially unreasonable its scheduled opening or continuance, then and thereupon exhibitors and the A&R have no further obligation to each other, and the A&R management shall determine an equitable basis for the refund of such portion of the exhibit fees as is possible, after due consideration of expenditures and commitments already made.

14. Exhibitor Responsibility Clause

Exhibitors may be required to provide proof of insurance, depending on the venue's requirements.

15. Official Service Contact

Pamela F. McLain is the A&R's official service contractor for the CCR: 5200 Greystone Way, Birmingham, Alabama 35242 Email: exhibitors@ccrheumatology.com

16. Violations

The A&R reserves the right to levy a penalty, including refusal of/or termination of the exhibit, at our discretion. In the event of such restriction or eviction, the A&R will not be liable for any refunds or rentals or other exhibit expenses. The dismantling or packaging of an exhibit and/or exhibit materials prior to the close of the exhibits may, in the A&R's sole discretion, prevent the exhibitor from being permitted to participate in future A&R exhibitions. In all interpretations of the conditions set forth in this prospectus and of all applicable rules and regulations, the decision of the A&R is final. Any objectionable practices by exhibitors or official suppliers should be reported to the A&R immediately.

17. Prohibition on Unapproved Events

Sponsors are strictly prohibited from hosting any events, including but not limited to meetings, receptions, or presentations, without the prior written approval of CCR staff. This prohibition applies to all sponsors and their representatives and is intended to ensure the coordination and integrity of the overall event. Any violation of this provision may result in penalties, including the termination of the sponsor's participation in the event without refund.

18. Physical Booth Space

Each booth space represents an area measuring 6 feet in width by approximately 8 feet in depth (up-to 10 feet for sponsors gold and above). Exhibitors must ensure that all displays, materials, signage, and pop-up structures remain within their assigned space. If any portion of a display exceeds these boundaries, the exhibitor will be required to either remove the excess materials or purchase an additional booth space at the prevailing rate.
